

Scientific Workshops in the Department of Power Mechanics Engineering Technology

No.	Workshop Title	Instructor in Charge	Date Held
1	Non-Destructive Testing (NDT) for Boilers and Pressure Piping in Accordance with ASME Codes	Mohammed Taha Mohammed Abdullah Adel Badr	2026-03-22
2	Geothermal Energy: Innovation and Environmental Sustainability	Nouri Raad Nouri Mohammed Taha Mohammed	2026-04-08
3	Your Impact as a Student in Improving Society and How It Affects Your Future	Dr. Ammar Hassan Suhail Banan Najm Al-Din Abdullah	2026-04-21
4	Occupational Safety Measures and Their Importance in Mechanical Laboratories	Banan Najm Al-Din Abdullah Dr. Ammar Hassan Suhail	2026-04-22
5	Learn About the 911 Hotline	Raed Abdulhadi Abdulqader Firas Aziz Ali	2026-04-26
6	The Importance of Technical Education and Its Role in Serving the Community	Asst. Prof. Ahmed Mustafa Saleem Dr. Qais Abd Yousif	2026-05-21
7	Diversity of Clean Energy Sources	Ahmed Hani Ghanim Abdullah Adel Badr	2026-06-02

Scientific Seminars in the Department of Power Mechanics Engineering Technology

No.	Seminar Title	Date Held
1	Iraq's Harvest of Solar Energy	2026-03-10
2	Solar Energy and Its Role in a Sustainable Future	2026-03-24
3	Fundamentals of Duct Sizing: Methods and Standards	2026-04-03
4	The Role of Nanomaterials in Enhancing the Performance of Geothermal Energy Systems	2026-04-16
5	Digital Security	2026-04-19
6	Intellectual Engagement with Students and Your Impact as a Lecturer on the Student	2026-05-18
7	Algebraic Equations and Their Use in Problem Solving	2026-05-22
8	Using Deep Learning for Disease Diagnosis through Algorithms	2026-06-07
9	The Importance of Using University Email for Students	2026-10-12
