

# NORTHERN TECHNICAL UNIVERSITY

Technical Engineering College / Mosul

ELECTRICAL ENGINEERING TECHNOLOGY DEPARTMENT

## LEVEL 1 — First Semester (Academic Year 2025-2026)

### SUNDAY

| Section   | 08:30 - 10:30                             | 10:30 - 12:30                             | Seminar / Extra Slot           |
|-----------|-------------------------------------------|-------------------------------------------|--------------------------------|
| Section A | Mathematics<br>Hall 2 / Sawsan Najib      | DC Circuits<br>Hall 28 / Osama Khairuddin | Seminar / Hall 28 & Comp Lab 1 |
| Section B | DC Circuits<br>Hall 28 / Osama Khairuddin | Mathematics<br>Hall 2 / Sawsan Najib      | Seminar / Hall 28 & Comp Lab 1 |
| Section C | Mathematics<br>Hall 2 / Sawsan Najib      | DC Circuits<br>Hall 28 / Osama Khairuddin | Seminar / Computer Lab 1       |

### MONDAY

| Section   | 08:30 - 10:30                                   | 10:30 - 12:30                                   | Seminar Slot           |
|-----------|-------------------------------------------------|-------------------------------------------------|------------------------|
| Section A | Mathematics<br>Hall 3 / Mustafa Raid            | Digital Techniques<br>Hall 3 / Hibatullah Tariq | Seminar                |
| Section B | Digital Techniques<br>Hall 2 / Hibatullah Tariq | Mathematics<br>Hall 2 / Mustafa Raid            | Seminar / Workshop Lab |
| Section C | Mathematics<br>Hall 28 / Mustafa Raid           | Digital Techniques<br>Hall 3 / Hibatullah Tariq | Seminar / Hall 28      |

### TUESDAY

| Group   | 08:30 - 11:30 (Special Slots)                                                               |
|---------|---------------------------------------------------------------------------------------------|
| Group A | Engineering Drawing / Computer Lab 2 / Faten Mahmoud & Walid Ibrahim   Seminar              |
| Group B | Human Rights and Democracy / Hall 4 / Dr. Bashar Nadeem   Seminar                           |
| Group C | Engineering Drawing / Computer Lab 2   Human Rights / Hall 27 / Dr. Bashar Nadeem   Seminar |

### WEDNESDAY

| Section          | 08:30 - 10:30                                                            | 10:30 - 12:30                                          | 12:30 - 14:30                                    |
|------------------|--------------------------------------------------------------------------|--------------------------------------------------------|--------------------------------------------------|
| <b>Section A</b> | Mathematics (08:30-09:30)<br>Hall 4<br>Digital Tech (09:30-11:30) Hall 4 | DC Circuits (11:30-13:30)<br>Hall 4 / Osama Khairuddin | Seminar / Hall 4                                 |
| <b>Section B</b> | Digital Techniques<br>Hall 27 / Hibatullah Tariq                         | DC Circuits<br>Hall 27 / Osama Khairuddin              | Mathematics (12:30-13:30) / Seminar<br>Hall 27   |
| <b>Section C</b> | Mathematics<br>Hall 28 / Sawsan Najib                                    | DC Circuits<br>Hall 28 / Osama Khairuddin              | Digital Techniques<br>Hall 28 / Hibatullah Tariq |

## THURSDAY

| Section          | 08:30 - 10:30                                                  | 10:30 - 12:30                                           | 12:30 - 14:30                                                  |
|------------------|----------------------------------------------------------------|---------------------------------------------------------|----------------------------------------------------------------|
| <b>Section A</b> | English Language<br>Hall 2 / Dr. Fawaz Jassim                  | DC Circuits (Pr.)<br>Workshop Lab / Waseem, Doaa, Hamza | Digital Techniques (Pr.)<br>P.E. Lab / Hibatullah, Mushtaq, M. |
| <b>Section B</b> | DC Circuits (Pr.)<br>Workshop Lab / Waseem, Doaa, Hamza        | English Language<br>Hall 2 / Dr. Fawaz Jassim           | Digital Techniques (Pr.)<br>P.E. Lab / Hibatullah, Mushtaq, M. |
| <b>Section C</b> | Digital Techniques (Pr.)<br>P.E. Lab / Hibatullah, Mushtaq, M. | English Language<br>Hall 2 / Dr. Fawaz Jassim           | DC Circuits (Pr.)<br>Workshop Lab / Waseem, Doaa, Hamza        |

Morning Session | Valid for the Academic Year 2025-2026
